

2020 LEGISLATIVE PLATFORM

SUPPORT OF STATE FUNDING AND PROGRAMS

- FPTA will support incentives to transit systems for the purchasing of alternatively fueled vehicles and appropriate infrastructure to support alternatively fueled vehicles.
- FPTA will support legislation to increase funds deposited into the State Transportation Trust Fund (STTF).
- FPTA will oppose any measures that divert funding from the STTF for non-transportation purposes or the reallocation of dollars that are intended for transit purposes to other non-transit related projects.
- FPTA will support legislation that advances the testing, integration and/or deployment of mobility-as-a-service and public transportation innovation initiatives in the state of Florida.
- FPTA will monitor and participate in the rule making process initiated by the Commission for the Transportation Disadvantaged that may alter the allocation methodology for the Transportation Disadvantaged Trust Fund dollars.

LOCAL FUNDING OPTIONS

- FPTA will support measures that allow all state colleges the option to establish a transportation access fee.
- FPTA will oppose further restrictions on local governments ability to initiate or pass local referendums.

SAFETY ISSUES

- FPTA will support efforts that minimize security and safety risks, and will enhance protection and safeguards for our agency's operators, employees, and customers.
